ABOUT OUR COMPANY

WECIN QUALITY GENERAL SERVICES LIMITED is a dynamic and versatile company established to deliver high-quality solutions across critical sectors of the Nigerian economy. Incorporated by the Corporate Affairs Commission of Nigeria on the 10th of May, 2023, our company is driven by a commitment to excellence, innovation, and customer satisfaction.

Our core services span Power and Energy, Civil Construction and Rehabilitation, Installation and Maintenance, and Procurement. We provide dependable power and energy solutions that support sustainable growth and development. In the construction sector, we execute civil works and rehabilitation projects with strict adherence to standards and safety regulations. Our installation and maintenance services ensure operational efficiency and longevity of critical systems, while our procurement services deliver quality materials and equipment to meet project and operational requirements.

At WECIN QUALITY GENERAL SERVICES LIMITED, we combine industry expertise, skilled manpower, and a client-focused approach to deliver projects that consistently exceed expectations. Whether serving public institutions, private organizations, or industrial facilities, we remain dedicated to delivering value with integrity, reliability, and professionalism.

VISION & MISSION

Vision

To be the foremost solutions provider in Nigeria, renowned for delivering exceptional quality, innovation, and reliability across diverse industries. We aspire to set new standards of excellence, becoming the trusted partner of choice for organizations seeking sustainable development and long-term value. Through our dedication to professionalism, integrity, and continuous improvement, we aim to make a lasting positive impact on our clients, communities, and the nation at large.

Mission

Our mission is to deliver outstanding, reliable, and efficient services that meet the evolving needs of our clients and stakeholders. We are dedicated to delivering projects to the highest standards, ensuring safety, compliance, and lasting impact. striving to build enduring relationships based on trust, transparency, and mutual success, while fostering a work environment that empowers our people and supports the communities where we operate.

OUR SERVICES

Power and Energy services

WECIN QUALITY GENERAL SERVICES LIMITED offers comprehensive power and energy solutions designed to meet the growing demands of industrial, commercial, and residential clients. Our goal is to deliver safe, reliable, and sustainable energy systems that support operational efficiency and drive economic progress. Our services include:

- Solar PV system supply and installation
- Street Lights Installation and Maintenance
- Energy audits and optimization
- Power backup systems (inverters, generators)
- Electrical infrastructure maintenance and repairs

Civil Construction / Borehole Drilling

We deliver a wide range of civil construction and rehabilitation projects with a commitment to quality, safety, and timely execution. Our capabilities include building construction, structural repairs, roadworks, drainage systems, and general infrastructure development. Whether undertaking new construction or restoring existing facilities, our experienced team applies best practices and modern techniques to ensure durable, functional, and cost-effective outcomes for every project.

Our expertise includes:

- Building residential, commercial, and industrial structures from concept through completion.
- Restoring, upgrading, and extending the life of existing buildings, roads, drainage systems, etc.
- Carrying out excavation, grading, and land development to create a solid foundation for construction projects.
- Developing transportation networks and effective drainage solutions that enhance accessibility and resilience.
- Providing borehole design, drilling, ground work, and pump installation

Installation / Maintenance Services

Our installation and maintenance services are tailored to enhance the performance and reliability of critical systems and equipment. From mechanical and electrical installations to routine and preventive maintenance, we help clients maintain smooth operations and extend asset lifespan. WECIN QUALITY GENERAL SERVICES LIMITED combines skilled professionals, advanced tools, and a proactive approach to deliver solutions that minimize downtime and ensure compliance with industry standards.

Procurement Services

WECIN QUALITY GENERAL SERVICES LIMITED offers reliable procurement solutions for equipment, materials, and consumables across multiple industries. We manage the entire supply chain process, from sourcing quality vendors to logistics and final delivery. Our procurement team ensures transparency, cost control, and timely execution.

Whether for construction, energy, office supplies, or specialized machinery, we guarantee prompt delivery and adherence to specifications.

QHSE POLICIES

HSE Policy Statement

At WECIN QUALITY GENERAL SERVICES LIMITED, the health, safety, and well-being of our employees, clients, and communities are a top priority. We are committed to preventing injuries, protecting the environment, and promoting sustainable practices in all our operations. We comply with all relevant health, safety, and environmental regulations and strive to identify hazards, assess risks, and implement effective controls. Our team receives the necessary training and resources to work safely and responsibly. We encourage a proactive safety culture built on accountability, continuous improvement, and open communication. Every individual shares the responsibility to uphold this policy and contribute to a safe and healthy workplace.

Quality Policy Statement

WECIN QUALITY GENERAL SERVICES LIMITED is dedicated to delivering services and solutions that consistently meet or exceed the expectations of our clients and stakeholders. Our commitment to quality is fundamental to our business success and reputation for excellence. We maintain a robust Quality Management System that complies with applicable standards and regulatory requirements. Clear objectives and measurable targets are established to drive continual improvement in all aspects of our operations. All employees are competent, properly trained, and empowered to contribute to the delivery of high-quality services. We foster a culture of accountability, innovation, and customer focus.

HOW WE WORK

At WECIN QUALITY GENERAL SERVICES LIMITED, we believe that the success of every project begins with a clear understanding of our clients' needs and a commitment to excellence at every stage. Our approach is guided by professionalism, transparency, and a focus on delivering lasting value.

We start by engaging closely with clients to define project objectives, expectations, and requirements. This ensures that every solution we provide is tailored, practical, and aligned with specific goals. Our team then develops detailed plans and allocates skilled personnel, resources, and technology to execute the work efficiently and safely.

Throughout project execution, we maintain open lines of communication and provide regular updates to keep our clients informed and confident in our progress. We adhere strictly to industry standards, regulatory guidelines, and best practices, ensuring quality, compliance, and safety are never compromised.

Continuous monitoring, supervision, and quality checks are part of our process, enabling us to anticipate challenges and deliver results on schedule. Upon completion, we conduct thorough inspections, secure client approval, and offer ongoing support and maintenance as needed.
